        <h2>Professional Summary</h2>
        <p class="summary-text">
            Innovative full-stack developer with expertise in
<strong>Flutter</strong> for building scalable, cross-platform applications
integrated with <strong>AI and cloud services</strong>. Demonstrated
proficiency in developing production-ready apps through intensive bootcamp
training and hands-on projects. Strong analytical foundation from STEM
education, combined with practical experience in AI APIs, DevOps, and agile
development. Seeking to leverage global opportunities for research and
innovation in machine learning and software engineering.
